

## MINIATURE PROJECT – THE WITCH’S ROOM

### THE STORY

Miranda La Broom tries to be a good witch, but on her 600<sup>th</sup> birthday a treat was well and truly due.  
A little Life Renewal Potion certainly did the trick.

Now that Miranda has changed into a modern dress, no-one will suspect that she is a witch.  
Have you noticed what Miranda still has on her head?

Something is brewing on the stove and I don't think it is chicken soup.

A crystal ball is sitting on the table with Miranda's favourite book "Black Magic".  
Can you see any other books in the room?

An Owl is sitting in the lovely bird cage, waiting for its mistress to send a message. I wonder who to.

The old trunk is sitting on the side table.  
Can you spot the old scrolls of incantations, bottles of potions and magic books?

Miranda keeps a very tidy shelf. Don't look too closely though.

I think the last person who did might have lost his head.

Good of Miranda to keep a bottle of cough medicine close by.

It is fun to look at what it on the walls.

A little fairy is hiding under the table and has let some of Miranda's ingredients out.

Can you make up another story about The Witch's Room?

It is fun to make up a miniature room and then write a short story about it.

I hope you like my little story.
